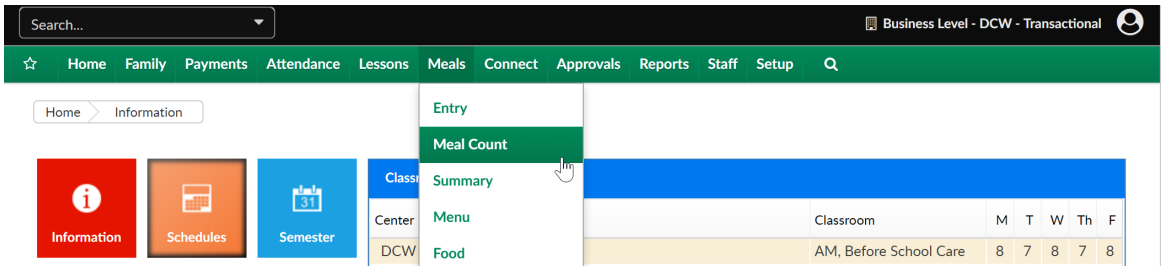
Meals > Meal Count

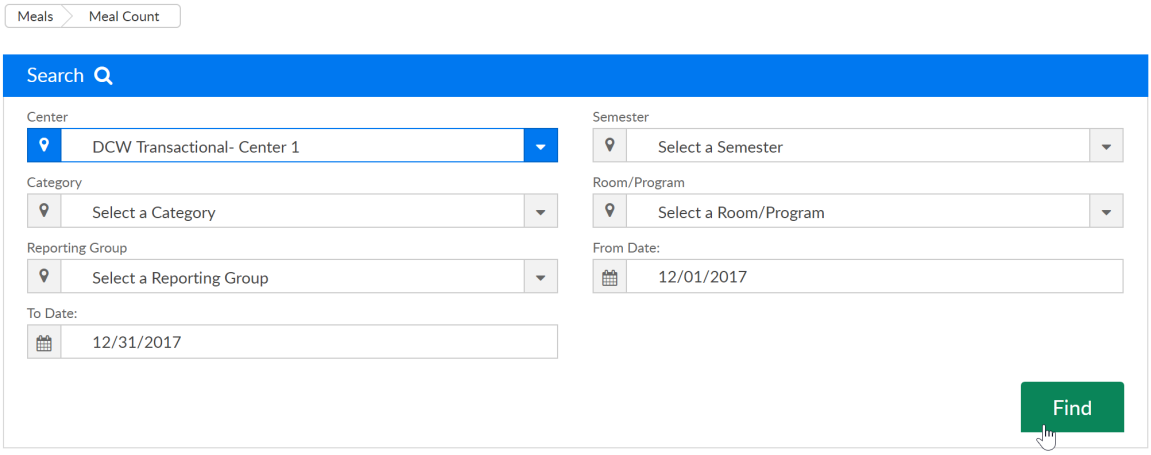
Last Modified on 03/30/2018 8:46 am EDT

The Meal Count screen will display the number of meals served in a particular period for a particular site. From the Meals menu, select the Meal Count option.



On the meal count screen, select search criteria- then press Find.

- Center
- Semester
- Category
- Room/Program
- Reporting Group
- From Date
- To Date



Results will display based on the rate that has been setup and linked to the child's CACFP status. This is for view only purposes if a report is required, go to Meals > Summary or Reports > Room/Program .

Meals > Meal Count

Search
