Last Modified on 06/29/2018 4:33 pm EDT

From the More drop down list on the Child tab of the family record, select the Additional Information option display detail about the child that can be collected from the registration process or entered/updated manually.

- Parents are also able to edit detail for the child on the parent portal if correct permissions are granted.

The screenshot displays a software interface for a family record. At the top, there is a search bar and a user profile icon labeled "Business Level - DCW - Transactional". Below this is a navigation menu with options: Home, Family, Payments, Attendance, Lessons, Meals, Connect, Approvals, Reports, Staff, Setup, and a search icon. The main content area shows the "Baggins Family" with a Family ID of 323500. It indicates 2 students, a Regular statement type, and a Balance Outstanding of 0.00. There is a link to "Add/View Journal Notes". Below this is a tabbed interface with categories: Summary, Family, Children, Parents, Third Party, Volunteers, Communication, Auto-Pay, Vacation, Financials, Receipts, and Merge. The "Children" tab is active, showing two children: Frodo Baggins (Age 6) and Bilbo Baggins (Age 4). An "Add Sibling" button is present. Below the children list are tabs for "Admission/Personal", "Doctor/Health", "Program/Room Assignment", "Calendar View", and "More". The "More" tab is selected, showing an "Appearance" section with input fields for Height, Weight, Hair Color, and Eye Color. Below that is a "Consent Information" section with four consent items, each with a "No" dropdown menu: "Consent to be Photographed", "Consent for Photographs to be Released", "Consent for Photographs to be Published on the Website", and "Consent for Enrichment".
