

Health - Immunization - Excel/PDF

Last Modified on 05/23/2019 10:11 am EDT

Report Description

The Immunization report displays students that have had immunization detail added to their record. Only students with immunization information will display on this report.

- If a date displays, the student is over due for that immunization
- If a C displays, the student is current on the immunization

Report Conditions

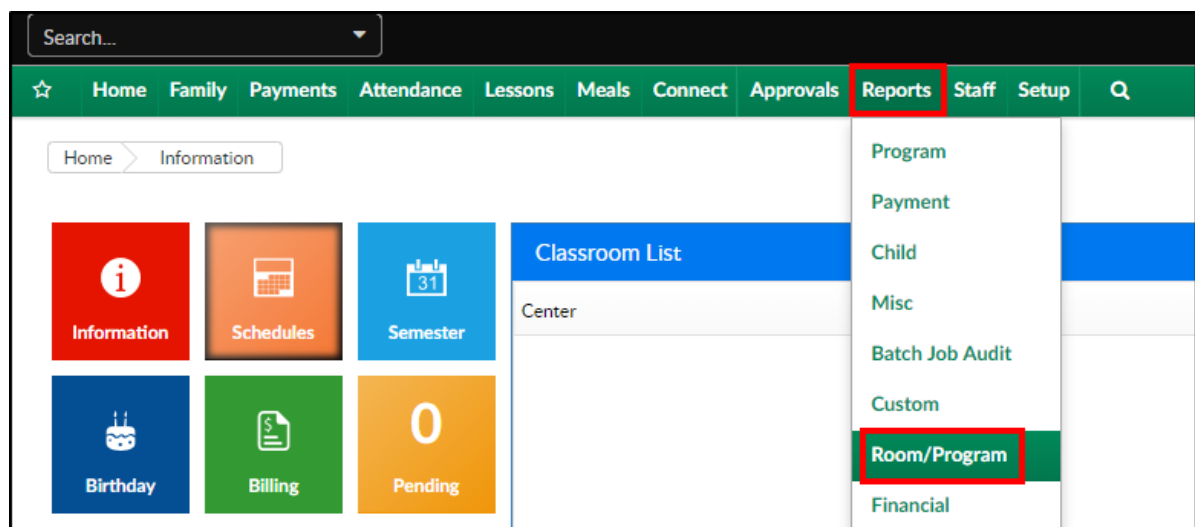

- N/A
