

# Pick Up- Restricted Pickup List - PDF - Full List

Last Modified on 02/05/2019 2:15 pm EST

The Restricted Pickup List report displays names of people who have been added under the "The following person(s) may not remove my child from the facility" fields on the child's record:

The following person(s) may not remove my child from the facility

- Sue Smith
- John Jacobs

Picture [Delete Current Picture](#)

School Attending: Other

If Other:

Grade: Select A Grade

When the report is created each room/program will display in a single list (if the report is created for the entire business). Child name, room/program and do not release names are included.

The report can be created for the entire center (leave center blank), by specific category or by specific room.

Reports > Room/Program
