Setup Scholarships

Last Modified on 03/14/2018 9:35 am EDT

Scholarships allow parents the ability to enter a coupon code during the registration process in the Connect Portal.

These scholarship codes are not displayed and must be provided to parents. Scholarships can have limits on the number of uses, but provides administrators an easy way to provide discounts to parents during registration.

Note: A payment type valid value named Scholarship must be added under setup > system config, valid values. The name of the valid value should be named Scholarship with a short code of SCHL.
