

Setup > Semester, Semester Family

Last Modified on 05/10/2019 12:30 pm EDT

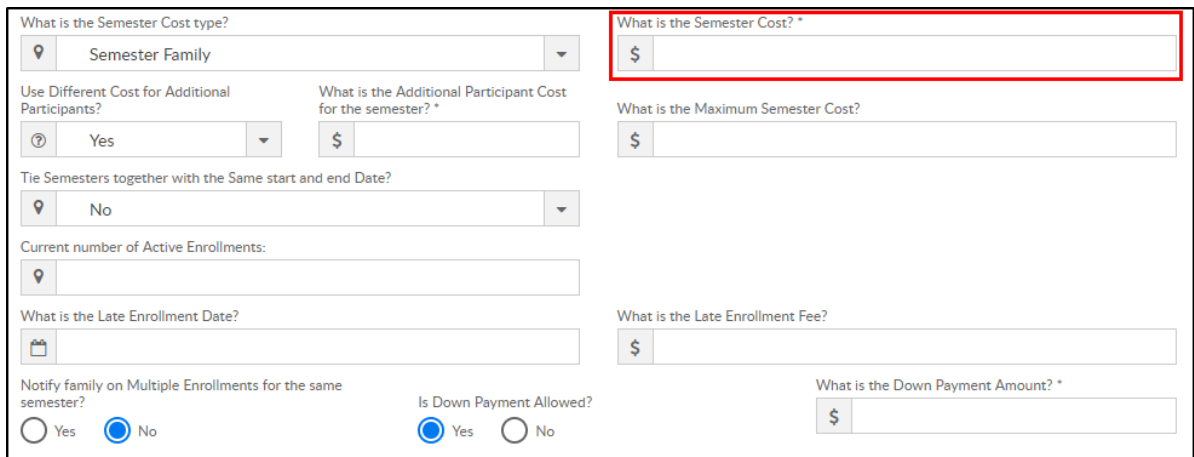

There are 4 “Semester Cost At” options to choose from when creating a new semester; Room/Program, Semester Participant, Semester Family, and Semester Family & Room/Program. Once steps 1-8 are completed from the [Setup > Semester](#) article, follow the steps below to set up a Semester Family semester:

1. What is the Semester Cost type? For Semester Family fee examples, see the bottom of the page

This screenshot shows the 'Semester Family' setup form. The 'What is the Semester Cost type?' dropdown menu is highlighted with a red box and contains the text 'Semester Family'. Other fields include 'What is the Semester Cost? *' with a '\$' icon, 'Use Different Cost for Additional Participants?' with a 'Yes' dropdown, 'What is the Additional Participant Cost for the semester? *' with a '\$' icon, 'Tie Semesters together with the Same start and end Date?' with a 'No' dropdown, 'Current number of Active Enrollments:' with a '\$' icon, 'What is the Late Enrollment Date?' with a calendar icon, 'Notify family on Multiple Enrollments for the same semester?' with 'Yes' and 'No' radio buttons, 'Is Down Payment Allowed?' with 'Yes' and 'No' radio buttons, and 'What is the Down Payment Amount? *' with a '\$' icon.

2. What is the Semester Cost? – enter the semester fee to be charged per student (unless Use Different Add. Participant Cost is setup)

This screenshot shows the same 'Semester Family' setup form. The 'What is the Semester Cost? *' field is highlighted with a red box. The 'Semester Family' dropdown is still visible. Other fields are the same as in the previous screenshot.
