Release Notes REL_OCT_27_2022

The following features and enhancements will be available on DCW/SCW on October 28, 2022.

New Features & Enhancements

- The following enhancements have been made to registration:
  - Added "If Attending Other School" registration field with "Display" and "Hide" options:
    - "Other" will display as an option in the "School Attending" dropdown list.
    - And, a text field for "If Attending Other School" will display for the parent/guardian to enter the attending school, if set to "Display". [DCW-4879]
  - "Contact Group" has been added to registration under the new name of "Relationship Type". [DCW-4832]
  - Added "Account Authorization Registration" field. [DCW-5063]
  - During registration, the program start and end time will be pre-selected when only one time is available. [DCW-4831]
- Enhancements have been made to the 'Scheduled FTE Detail – Excel' report to allow users to pull for a wider date range. [DCW-4861]
- The RoomRest API has been updated to include the "Active" indicator on the room settings. [DCW-5061]

Miscellaneous Fixes

- Fixed an issue where the Activity Roster – PDF report total number of students was displaying one less student then the actual total. [DCW-4900]
- Fixed an issue where some staff members were not receiving the text messages sent from the Connect > Communication screen. [DCW-4856]
- Fixed an issue where the Settlement Report Upload was not marking ACH type payments as settled [DCW-4844]

Internal Documentation

The following tasks are for internal documentation only.

- DCW Bugs Oct 2022. [DCW-5118]
- DCW General Items Oct 2022. [DCW-4874]
