Release Notes REL_MAY_25_2023

The following features and enhancements will be available on SCW on May 26, 2023.

New Features & Enhancements

- The following miscellaneous enhancements have been made to Absent Days [DCW-5419]:
  - In the Third Party Configuration Settings, the 'Allow Absent Day Capping' field will only display when 'Paid Absence Days' is set to Yes.
  - Absent days can only be selected when there is an active contract.
  - Updates to improve processing times.
  - Updated the tooltip to point to the item it is indicating.

Miscellaneous Fixes

- Fixed an issue where parents were unable to use a credit card with an expiration over 10 years in the future. Updated the credit card expiration year window from 10 years to 15 years. [DCW-5481]
