

Webinar: The Business of Child Care Conference Summer 2023

Last Modified on 06/23/2023 7:46 am EDT

Our virtual summer conference for Procare SchoolCare Works customers was held at 11 a.m. MT on June 21, 2023.

We heard from Jon Pollock, our chief product officer and our guest speaker Laura Delgado, vice president of curriculum and child development at Learning Beyond Paper, as they discussed the importance of development for staff and children.

We also shared our recent and future product feature releases and customers had the opportunity to ask questions and engage with our Procare experts. This virtual conference offered product knowledge, professional development, prizes and more! Attendees also received a certificate of attendance after the event.
