

Grant Audits Guidance

Last Modified on 12/19/2023 1:25 pm EST

If you've received funding or grants in the last few years there is a chance you might be audited. We want to provide you the necessary information that, in the case of an audit, may be required on the spot.

- COVID-19 Relief Funds - the Child Attendance Detail - Excel report can be used in the event the school is audited in relation to the COVID-19 relief funds received. The audit will require a daily attendance report for any given day. Use the [Child Attendance Detail report job aid](#) for assistance.
