

# Release Notes REL\_FEB\_29\_2024

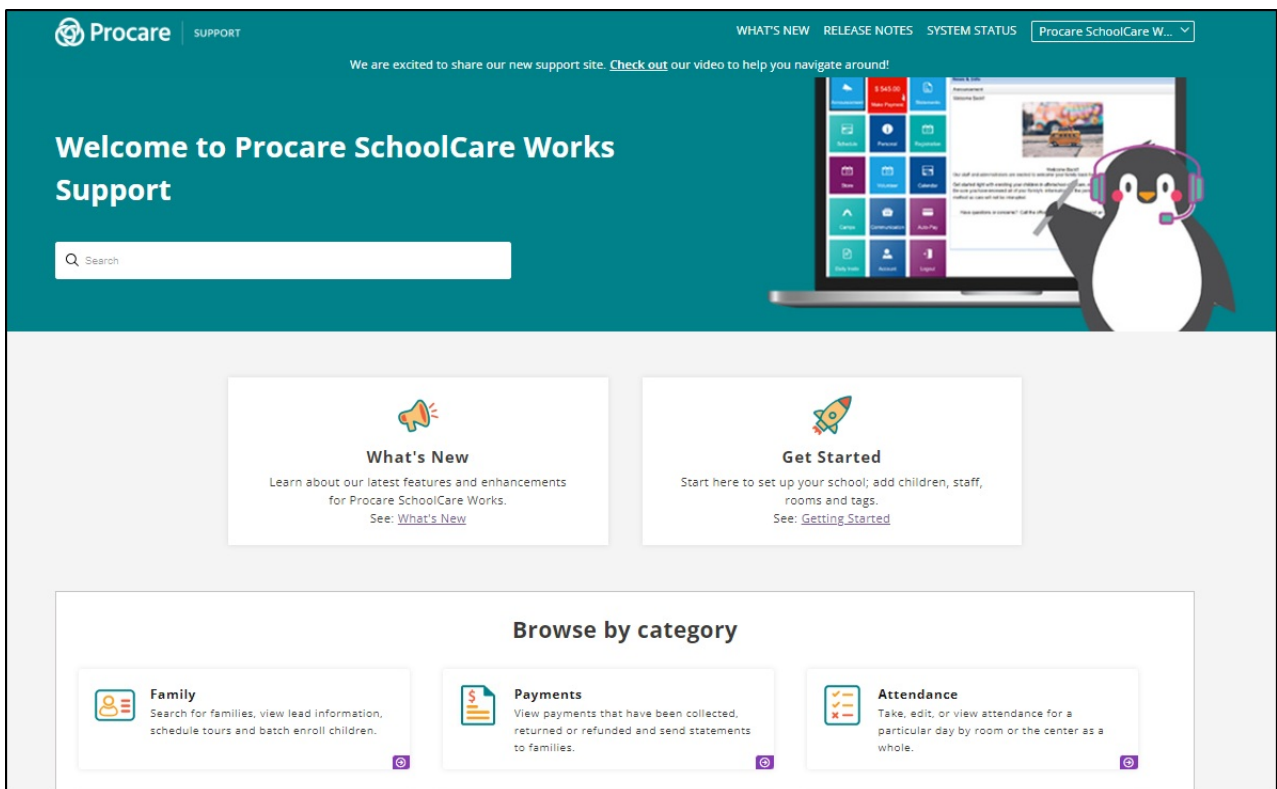

Last Modified on 02/26/2024 11:45 am EST

The following features and enhancements will be available on March 1, 2024.

## New Features & Enhancements

### New Support Center

With the launch of the new support site, we have updated the help links in the Provider Portal and Connect Portal to link to the new site. The Connect Portal will link directly to the parent/guardian support articles.

### Child Attendance Detail (version 2) - PDF

The Child Attendance Detail - PDF report will include all active children and their check-in/out times for a specified date range and allows for a parent signature.

**Example:** [Child Attendance Detail \(version 2\) - PDF](#)

## Minor Enhancements and Miscellaneous Fixes

- Fixed an issue where the 'Active Students Only' checkbox was missing in the Search Criteria section of the following reports:
  - Corporate Partnership - Excel

- Schedule Attendance - Excel
  - Check In/Out - PDF
  - Discount Assignment - Excel
  - Payments made by non-primary sponsors via Tuition Express will now show on the ledgers for primary sponsors.
-
